

詩歌選集第 119 首

119 【哦，我救主已得榮】

[Listen to Midi](#)

(一) 哦，我救主已得榮！諸天如今已大開，顯給信心的眼睛，見祂榮美的丰采。

(二) 蒙救贖者感激心，發出最甜贊美頌；配得贊揚只一人，因祂將神全顯明。

(三) “神是愛！”何等福音，只有信眾能證明；“神是光”光中聖民，應當鄭重地宣明。

(四) 我魂當聽救主吟，從這歌聲得歡樂；隨同甜美的音韻，傾出微弱的謳歌。

(五) 哦，我得榮的救主，使我眼目轉向禰，離開一切人、事、物，惟見禰美麗自己。

(1) O my Savior, glorified! Now the heavens opened wide, show to faith's exultant eye one in beauteous majesty.

(2) Worthy of the sweetest praise that my ransomed heart can raise, is that Man in whom alone God Himself is fully known.

(3) For those clustering glories prove that glad gospel, " God is Love," whilst those wounds, in glory bright, voice the solemn, " God is light."

(4) Hark, my soul! Thy Savior sings; catch the joy that music brings, and, with that sweet flood of song, pour thy whisp'ring praise along.

(5) O my Savior, glorified, turn my eye from all beside, let me but Thy beauty see, other light is dark to me.
